INTERVENTION
The VAPP should be domesticated in all states.

METHODS OF INTERVENTION
Work with state of emergency on SGBV team to publish the names of states and their Governors yet to domesticate the VAPP.

Engage with the Government, through the Ministry of Justice, Fida, Ministry of Women Affairs, NOA, to sensitize Women and Girls, via campaigns, that there is a law that protects them as citizens.

GAPS
Domestication of the VAPP act in only a few states/ no sensitization on the existence of a law that protects Women and Girls in the country.
No Legal reform to criminalize marital Rape.

GAPS

• Agencies responsible for implementation are not proactive.

INTERVENTION

• Agencies should be made to be proactive.

METHOD OF INTERVENTION

• Write to the Government through the IGP, demanding that police officers should be trained on how to address GBV.
THE NFF ROAD MAP ON THE STATE OF WOMEN’S SEXUAL REPRODUCTIVE HEALTH AND RIGHTS (SRHR) IN NIGERIA, LOOKING AT THE CLINICAL MANAGEMENT OF RAPE AND ITS EFFECTS, USING A FEMINIST PERSPECTIVE.

INTERVENTION
Provision of psychological first aid by healthcare workers, to survivors, and a continuous psychosocial support.

METHOD OF INTERVENTION
Write to the Government, through the Ministry of Health demanding for Subsidized Medical support for survivors who cut across indigent women and children who are unable to provide funding.

Provision of psychological first aid and psychosocial support for survivors.

This makes it possible for victim sensitive response protocol policies to become beneficial to all.

GAPS
No provision of psychological first aid by healthcare workers to survivors, followed by continuous psychosocial support, for both women with disabilities and women living with HIV.
GAPS
Lack of coordination/accountability

INTERVENTION
Coordination mechanisms at both State and National Level.
THE NFF ROAD MAP ON THE STATE OF WOMEN’S SEXUAL REPRODUCTIVE HEALTH AND RIGHTS (SRHR) IN NIGERIA, LOOKING AT THE CLINICAL MANAGEMENT OF RAPE AND ITS EFFECTS, USING A FEMINIST PERSPECTIVE.

GAPS
No sexual Assault Referral centre.
Develop a SARC committee/Gender Desk available in police stations.

INTERVENTION
Establish a Sexual Assault Referral centre in all states, Develop a SARC committee, and Develop a Gender desk in all police stations in the federation.

METHOD OF INTERVENTION
Write to the Government through the Ministry of Women Affairs, requesting that a SARC be established in every state in the country.
Write to the Government through the IGP, requesting that Gender desks be made available in all police stations in the country.
